

## **Gathered Midi Dress**

**The dress is a striking garment with a dark, textured look, featuring a unique silhouette and detailing.**

- **Style:** It is a Midi Dress with a figure-skimming silhouette that extends below the knee. It has a slightly bohemian/textured aesthetic.
- **Color/Fabric:** The primary color is a deep, rich chocolate brown or dark maroon. The fabric appears to be heavy, textured, and possibly knitted or ribbed.
- **Unique Feature:** The most notable detail is the heavy vertical ruching or gathering that runs diagonally down the left side of the torso, creating a beautiful, asymmetrical texture.
- **Sleeves:** It features long, fitted sleeves that maintain the overall dark, sophisticated look.
