

Comfort Suit Blazer

This is a classic, tailored **blazer** designed for comfort and versatility.

- **Style and Fit:** It is a single-breasted blazer with a notch lapel, a standard two-button closure, and flap pockets at the hips. The fit appears **structured yet relaxed**, consistent with the "Comfort Suit" designation.
- **Color and Fabric:** The color is solid **black** or a very deep charcoal. The description specifies it's a "**Tailored blazer in lightweight wool blend**," suggesting a fabric that drapes well and is comfortable for all-day wear.
- **Aesthetic:** The design is minimal and timeless, making it a foundational piece suitable for both business and smart-casual attire.
