

Flowy Cargo Pants

This garment is characterized by its **fashionable, relaxed silhouette** .

- **Design & Fit:** They are **high-waisted, wide-leg** trousers designed for a comfortable, "flowy" fit through the legs. The style balances a casual, utility aesthetic with modern street fashion.
- **Color & Material:** The pants are rendered in a **deep, dark color**, appearing to be either navy blue or charcoal gray. The material looks like a substantial yet pliable twill or textured fabric, suitable for maintaining their shape while draping well.
- **Details:** True to their name, they feature traditional **cargo pockets** sewn onto the side of the pant legs, enhancing their utility-wear appeal.
