

## Jogger Trouser

This is a modern, comfortable trouser designed with a relaxed, athleisure-inspired fit.

- **Style and Fit:** The garment is a **Jogger Trouser**, recognizable by its **elasticated waistband** (and likely elasticated cuffs, though not fully visible). The cut is relaxed and straight through the leg, offering ease of movement and comfort.
- **Color and Fabric:** The color is solid **black** or a very deep charcoal. The fabric appears to be a soft, textured material, possibly a thick knit or fleece that would be comfortable for casual wear.
- **Details:** It features **side slash pockets** near the waist. The overall design is minimal, focusing on comfort and a clean, versatile look.
