**Polo Sweatshirt**

This is a casual yet smart sweatshirt that incorporates traditional polo shirt elements for a structured, layered look.

- **Style and Fit:** It is a **sweatshirt** designed with a **polo collar** and a partial **button placket** at the neck. The body features a relaxed, comfortable fit typical of a sweatshirt.
- **Color and Fabric:** The main body of the sweatshirt is a **deep navy blue** or very dark gray. It appears to be made from a thick, textured, **fleece-back or loop-back cotton fabric** (a classic sweatshirt material).
- **Collar Detail:** The contrasting **white/cream-colored collar** and the visible placket buttons elevate the piece, giving it the appearance of a dark sweater worn over a light polo shirt.
